**ON BIHAR, 2000-2010**  
**A Compendium**

This Compendium is a collection of summaries of research documents related to overall economic and social development of Bihar during 2000 to 2010. Prepared with support from the Department of Planning and Development, Government of Bihar by the Institute for Human Development (IHD), New Delhi, the Compendium covers 268 summaries spread over 13 thematic areas. Given the wide interest of researchers and policymakers on Bihar, it is a valuable resource and public document, not just for academicians and scholars, but also for civil society organizations and policymakers.
